

**Launch of
Collagen/Alginate**

the first collagen dressing in the United States

1990

Pilot RCT

on the use of Collagen/Alginate on
VLUs (n=15), *Manson P, et al. 1995*

Multicentre RCT

on the use of Collagen/Alginate on PUs
(n=117), *Brown-Etris M, et al. 1999*

2000

Multicentre RCT

on the use of Collagen/ORC on
VLUs (n=73), *Vin F, et al.*

Multicentre RCT

on the use of Collagen/ORC on
DFUs (n=276), *Veves A, et al.*

2002

**Launch of the FIRST
Collagen/ORC dressing**

2005

**Launch of the FIRST
Collagen/ORC/Silver dressing**

RCT

on the use of Collagen/ORC on
PUs (n=80), *Nisi G, et al.*

RCT

on the use of Collagen/ORC on
VLUs (n=40), *Wollina U, et al.*

2006

RCT

on the use of Collagen / ORC on DFU's
(n=51) *Kakagia D.D, et al.*

RCT

on the use of Collagen/ORC on DFUs
(n=40), *Lazaro-Martinez J. L, et al.*

2007

RCT

on the use of Collagen/ORC on
DFU's (n=33) *Lobmann R.*

2008

RCT

on the use of Collagen/ORC/Silver
on VLUs (n=30), *Lanzara S, et al.*

RCT

On the use of Collagen/ORC in wound
exudate of patients with chronic venous
ulceration (n=17 vs n=10), *Smeets R, et al.*

2009

Cullen's Circle

Rebalancing the wound environment

Retrospective Economic Study

Comparing Healing and Cost; using
Collagen/ORC/Silver versus Standard
of care. (n=974) *Snyder R, et al.*

Cost Effective Retrospective Study

On the cost-effectiveness of a
Collagen/ORC on neuropathic DFU's
(n=40), *Lázaro-Martínez J, et al.*

2010

2011

RCT

On the use of Collagen/ORC in
wound exudate of patients with DFU's.
(n=22 vs n=10) *Ulrich D, et al.*

RCT

On the use of Collagen/ORC on
DFU's (n=19) *Motzkau M, et al.*

RCT

On the use of ORC in preventing
infections at a surgical site.
(n=98) *Alfieri S, et al.*

2013

Systematic Review

Collagen-based wound dressings
on DFU's *Holmes C, et al. 2013*

RCT

on the use of Collagen/ORC/Silver
on DFUs (n=40), *Gottrup F, et al.*

2015

RCT

On the use of Collagen/ORC
in treatment on pressure sore
ulcers (n=33) *Kloeters O, et al.*

2016

**A NEW diagnostic assessment
parameter for wound care**

(n=290) *Serena T, et al.*
